

HOBBS TANK & EQUIPMENT, INC.

Distributors & Manufacturer's Representatives of Process & Industrial Equipment

Product Lines Represented by Hobbs Tank & Equipment, Inc.

- Brawn™ Mixer, Inc.: Tank Mixers & Agitators. Portable 1/4 HP Mixer Through 100 HP Agitators. 316 SS, 304 SS & Carbon Steel Mixer Construction. Plate, Cup Plate, Clamp or Flange Mount. Mechanical Seals & Stuffing Boxes for Sealed Tank Applications. Carbon Steel & Stainless Steel Custom Lift Stands.
- Delta Composites, LLC:
Safe-T-Grate, Inc.: Fiberglass Molded & Pultruded Grating, Channel, Beams, Stair Treads, Catwalks, Platforms, Handrail, Ladders & 316 SS Clip Assemblies. Carbon Steel & Stainless Steel Welded or Pressed Locked Grating & Stair Treads in Plain, Primer, Painted or Stainless Steel Finishes.
- Forest Air, Inc.: Engineered Scrubber Systems Constructed of FRP, PVC, Polypropylene & Alloy Metals. Portable Scrubber & Custom Scrubber Systems. Removal of Odors, Fumes, Gases & Particulate. Quench Chambers & Heat Recovery Systems.
- Koch Glitsch LP:
Koch-Otto York Group: Demister™, Flexichevron™, Flexi-Fiber™ Mist Eliminators. Coalex™, KY-Flex™ & KY-Mesh™ Liquid-Liquid Media. Separation Design & Revamps for Mist Elimination and Liquid-Liquid Coalescing Applications.
- National Turbine Corp.: Centrifugal Blowers & Exhausters, Fabricated Steel & Cast Iron. Vacuum Systems - Stationary & Portable, Separators, Collectors & Pneumatic Conveying Systems.
- Edwards Fiberglass, Inc.:
Containment Solutions: Fiberglass Vertical, Horizontal, Cone Bottom, Single & Double Wall, Open & Closed Top Fiberglass Tanks. Above Ground ASTM Compliant Fiberglass Shop Fabricated Tanks. Underground Fiberglass Water Storage Tanks.
- Snyder Industries, Inc.: Cross Link (HDXLPE) & Linear (HDLPE) Polyethylene Tanks. Industrial Vertical ASTM Closed Top, Horizontal, Cone Bottom, Open Top, Single & Double Wall Tanks. Intermediate Bulk Container Totes & Bins.
- Superior Steel Products: Carbon Steel & Stainless Steel Tanks. Rubber & Epoxy Lined Tanks. Vertical, Cone Bottom, Closed & Open Top, Horizontal, Single & Double Wall Tanks. Pressure Vessels & Horizontal Double Wall Dike Tanks. ASME Code Stamped, API 650, AWWA, UL 142 & DOT Compliant.
- Young® Industries, Inc.: Horizontal & Twin Shaft Continuous Mixers. Multi-Port® Gravity Blenders. Single & Double Runner Attrition Mills. Rotary Sifters & Valves. TransVair® Mechanical & Multi-Phase Pneumatic Conveying Systems. TransVair® Cyclone Collectors, Power Packages & Pumps. Self-Aligning Pipe & Tube Flange Sets. Diverter Valves & Inline Filters. Multi-Flow Bulk Bag Unloading Frames. Safety-Flow™ Grating. Self-Contained Filter Bag Dump Stations & Bag Compactors. Uni-Cage® Product Receivers & Bin Vent Filters.
